+91-7530817337 | [246810umesh@gmail.com](mailto:246810umesh@gmail.com) | [LinkedIn](#) | [Github](#) | [Portfolio](#) | [Leetcode](#)

## PROFESSIONAL SUMMARY

**Full Stack Developer** with hands-on experience building **scalable, responsive web applications** using **MERN stack (MongoDB, Express.js, React.js, Node.js)** along with **React, Next.js, TypeScript, JavaScript** and **Tailwind CSS**. Skilled in developing **reusable UI components**, optimizing frontend performance, and integrating **RESTful APIs**. Strong foundation in **Data Structures & Algorithms (100+ problems solved on LeetCode)**. Proven **internship experience** working in **Agile/Scrum environments**, delivering **production-ready code** with clean architecture, accessibility best practices, and modern tooling.

## Experience

### Web Development Intern - Prodigy Infotech - Remote

July 2025 – Aug 2025

- Built 5+ responsive web pages using HTML, CSS, Bootstrap, and JavaScript, Improving cross-device user experience by 30%.
- Optimized front-end code, reducing page load time by 15% and improving accessibility compliance.
- Delivered all projects ahead of schedule, demonstrating strong problem-solving skills and attention to detail.

## Technical Skills

- Programming Languages:** JavaScript (ES6+), TypeScript, Java, Python, C/C++, SQL.
- Frontend:** React.js, Next.js, Tailwind CSS, ShadcnUI, Bootstrap, HTML5, CSS3.
- Backend & Cloud:** Node.js, Express.js, Spring Boot, Firebase (Firestore, Hosting, Auth).
- Databases:** PostgreSQL, MySQL, MongoDB, Firebase Realtime Database.
- APIs & Testing:** RESTful API Development & Integration, Postman.
- AI Tools:** GitHub Copilot, ChatGPT, Claude, DeepSeek, Gemini, Antigravity, Cursor.
- Developer Tools:** Git, GitHub, GitHub Actions, IntelliJ, VS code, Microsoft Office.

## Professional Skills

- Problem Solving, Leadership, Dedication, Communication, Management.

## Projects

### Task Manager – MERN Stack: [LINK](#)

Jan 2025 – Mar 2025

*MongoDB, Express.js, React.js, Node.js*

- Built a **full-stack task management app (MERN)** with **CRUD** operations.
- Developed **REST APIs using Node.js & Express** and implemented **JWT authentication** for secure user access.
- Used **MongoDB** for data storage and **React** for a responsive frontend.
- Deployed the application on **Vercel**.

### MOCKMATE (AI Mock Interview Platform): [LINK](#)

Apr 2025 – June 2025

*React (Next.js), Node.js, PostgreSQL, Drizzle ORM, Clerk Auth, Google Gemini AI*

- Built a full-stack AI mock interview platform with dynamic question generation and real-time feedback.
- Implemented authentication using Clerk and managed data with PostgreSQL + Drizzle ORM.
- Integrated Google Gemini API for AI-driven questions and personalized evaluation.
- Developed key features like interview sessions, answer tracking, and performance dashboard with responsive UI using Next.js.

## Achievements

- Ranked among the top 10 teams (out of 50+) in a college hackathon for an innovative tech solution.
- Presented projects at the College Project Exhibition, showcasing creativity and technical expertise to 100+ attendees.
- Solved 100+ successful problem solutions on LeetCode across arrays, strings, recursion, dynamic programming.

## Certifications

- |                                                               |                     |
|---------------------------------------------------------------|---------------------|
| Artificial Intelligence Fundamentals (IBM)                    | Nov 2025            |
| Deloitte Australia Technology Virtual Job Simulation (Forage) | Jun 2025            |
| AWS Solutions Architecture Virtual Program (Forage)           | Jun 2025            |
| Advanced Java Programming                                     | Mar 2024 – Oct 2024 |
| JavaScript Course (Scaler)                                    | Feb 2024            |

## Education

- |                                                                                                                                 |                                                          |
